

RESUME

EXPERIENCE //

Associate Creative Director - RES Exhibit Services (May 2012 - Present)

At RES, I am responsible for overseeing the conceptualization and execution of brand visuals for our clients and prospective clients. Visuals can range from large fabric prints to motion graphics and interactives. Responsibilities also include managing designers and in-house graphic production, print production quality control, internal marketing, client presentations, and collaboration with all departments, including design, engineering, project management, sales, and ownership.

Art Director - Mirror Show Management (September 2009 - April 2012)

At MSM, I gained valuable knowledge in applying visual design to a physical space, specifically exhibit design. My position required strong skills in time management, tight deadlines, spacial relation, client interaction, presentation of work and being a true team player.

Graphic Designer - Bob Wright Creative (October 2006 - August 2009)

For close to three years I worked on both individual and team-driven designs, with projects ranging from print layout, illustration, web interface design, and HTML/CSS programming. I learned how a design firm functions, specifically in regards to print file preparation, client relations, team driven design and making deadlines.

EDUCATION //

Roberts Wesleyan College (2003-2007) /// Studio Art - Graphic Design

3.9457 Cumulative GPA • Summa Cum Laude • Student Association • Resident Advisor
